

Echoone Lyrics E-book:

- 100% Toro (2007) -

01. Grande Toro (Light Version)

Si alza in cielo l'urlo degli ultra,
Torino è granata e così resterà,
Si alza in cielo l'urlo degli ultra,
Torino è granata e così resterà,
E con le mani alzate, io tiferò per te, e griderò
e forza toro tutti in coro,
Si alza in cielo l'urlo degli ultra,
Torino è granata e così resterà,
E con le mani alzate, io tiferò per te, e griderò
e un grande toro sarà

02. Sexy Lover

You're my sexy, sexy, sexy, sexy lover,
I don't really, really, really want no other
You're my sexy, sexy, sexy, sexy lover,
I don't really, really, really want no other

How can you drive me crazy?
How can you be so amazing
know how to steal my heartbeats
somehow it happens, you're my fever

You're my sexy, sexy, sexy, sexy lover,
I don't really, really, really want no other
You're my sexy, sexy, sexy, sexy lover,
I don't really, really, really want no other

You're the one who can wake up the night,
the one who's able to warm up my cold heart
Ooh you are so impressive to me,

(hot meat here today),
you always got me waiting for you
(hot meat here today)
you always got me waiting for you
(hot meat here today),
you always got me waiting, waiting, waiting for you

You're my sexy, sexy, sexy, sexy lover,
I don't really, really, really want no other
You're my sexy, sexy, sexy, sexy lover,
I don't really, really, really want no other

You're the one who can wake up the night,
the one who's able to warm up my cold heart
Ooh you are so impressive to me,

03. Chemical Reaction

I cut, my hair, I change my style and what I wear
I face, the crowd, go down to clubs to find some love
over there,
I laugh, I cry, I feel all world's sensations in a second as
I know you're there
But wait, there's her, my night is over before it's begun

'cause I can't move my mind from thoughts of you,
and the dangers we could go right through,
but boy please give me a reason, and I will shoot her
down,

'cause it's a
Chemical, chemical (chemical reaction), it just ain't
allowed, please stop me, I'm a
Criminal, criminal (what a devastation), don't see where
I belong, you too could be a
Criminal, criminal (chemical attraction) there's no right
and no wrong, oh no no it's so
Critical, criminal (criminal attraction), let me know if you
want, or not

And so, the party's over, I crashed, down to the floor
and
tomorrow, I'll say I'm sorry, but what a night, he smiled
to me so,
I'm back, on my way, and my aims are still the same
I guess, I'm idiot, but what a fun last night, I'm critically

driven by the crazy image I see of you,
and the moments we could pass right through,
baby give me a reason, and I will shake you down

'cause it's a
Chemical, chemical (chemical reaction), it just ain't
allowed, please stop me, I'm a
Criminal, criminal (what a devastation), don't see where
I belong, you too could be a
Criminal, criminal (chemical attraction) there's no right
and no wrong, oh no no it's so
Critical, criminal (criminal attraction), let me know if you
want, or not...

04. Climbing stairs

You may look so pretty, you're a heartbreak machine, in
your tie-die jeans, honey
you feel you are grown up well, Ooh it all fares well, but
see
your mother still makes your bed

Leave your teenage days behind (*Ooh don't take me for
a dick*)
you don't wanna feel that ordinary (*no, don't take me for
a dick*)
there are things you just don't mind (*don't take me for a
dick*)
no no

*it's just like climbing stairs, no lifts
then life turns to what was meant to be
firm decisions quit that agony*

you're still young in your thirties, still wait for that
change,
for that big thing to happen,
it's agony to me, but you feel so well, yes it all fares
well, but see
(you ain't gonna change, you ain't gonna make it your
own)

Leave your teenage days behind (*Ooh don't take me for
a dick*)
you don't wanna feel that ordinary (*no, don't take me for
a dick*)
there are things you just don't mind (*don't take me for a
dick*)
no no

*it's just like climbing stairs, no lifts
then life turns to what was meant to be
firm decisions quit that agony*

I have no clue for fashion, and don't care that much
anyway,
You always are well dressed and stylish, you like to
impress,
And attract, the influentials,
'cause appear is always easier...

*it's just like climbing stairs, no lifts
then life turns to what was meant to be
firm decisions quit that agony...
you know that life is gonna be like this, like that...*

05. Me voy

Me voy, me voy, mi amor, Se aleja de ti el mi corazon
Me voy, me voy mi amor
Mira lo que passò de nuestro amor ooh oh ooh oh ooh

*Manana serà un nuevo dia, y tu debes aguantarlo
Te pido
Manana serà un nuevo dia, y yo no estarè contigo,
entonces...
Felicidad, Volverà, Y otro dia...*

Me voy, me voy, mi amor Se aleja de ti mi corazon
Me voy, me voy, mi amor

Y no tengas miedo de tu passion, ooh oh ooh oh ooh

*Sabes , tu estaras presente en todos mis pensamientos
Oye porquè el primer amor es imposible de olvidar,
entonces...
Felicidad, Volverà, Y otro dia...*

06. Praying for the miracle

*We ain't going strong, we're gonna pray for the miracle
We ain't strong enough, we're gonna pray for the
miracle*

Don't worry for me, girl, feels strange,
I know you never saw me so,
but I got one, two three, four reasons for my troubles,
why should I be wrong,

but those seven years of bad luck, I had before,
I broke my second looking glass, no didn't help, my girl,

*No we ain't going strong, we're gonna pray for the
miracle
We ain't strong enough, we're gonna pray for the
miracle*

But I don't have to fall, in superstition
to get rid of the problems, girl,
but we still use to play this shit in this nasty place,
this is the money law,

but those seven years of bad luck, I had before,
I broke my second looking glass, no didn't help, my girl,

*we ain't going strong, we're gonna pray for the miracle
we ain't strong enough, we're gonna pray for the
miracle
we ain't going strong, we're gonna pray for the miracle
we ain't strong enough, we're gonna pray for the
miracle
we didn't do rock, we didn't do roll, we didn't do rock, ...*

07. Grande Toro

Il colore della mia città, è il colore del mio cuore,
quando sono in maratona,
Lo vedo nelle strade, lo comprendo dalla gente, è il
nostro simbolo d'identità

Immuni alle difficoltà, padroni del destino,
combattiamo, senza paura
Sfidarci è un gran pericolo, quando ci uniamo poi
vinciamo,
Vai, lassù, ci stanno a guardare,
Perchè

*Si alza in cielo l'urlo degli ultrà,
Torino è granata e così resterà,
e con le mani alzate, io tiferò per te, e griderò,
e forza Toro, tutti in coro,
Si alza in cielo l'urlo degli ultrà,
Torino è granata e così resterà,
e con le mani alzate, io tiferò per te, e griderò,
e un grande Toro sarà*

Scotta come un brivido, corrode come arsenico,
la voglia di maratona
E parte dalla cupola, arriva giù e raggiunge il fila, che
un giorno risorgerà,
perchè

*Si alza in cielo l'urlo degli ultrà,
Torino è granata e così resterà,
e con le mani alzate, io tiferò per te, e griderò,
e forza Toro, tutti in coro,
Si alza in cielo l'urlo degli ultrà,
Torino è granata e così resterà,
e con le mani alzate, io tiferò per te, e griderò,
e un grande Toro sarà*
